WELCOME GUIDE

WELCOME TO TPUSA COMMUNITIES

Thank you for stepping up to make a difference in your community.

TPUSA Communities exists to build strong local networks that empower individuals, strengthen families, develop leaders, and inspire action rooted in the values that make America strong.

Whether you're joining as a servant leader or grassroots warrior, you are now part of a nationwide movement of people committed to creating meaningful impact where it matters most: in our own communities.

OUR MISSION

TPUSA Communities exists to build a nationwide network of local chapters that activates individuals and families to strengthen their communities, defend American values, and take meaningful action at the local level.

WHAT TO EXPECT

CONNECT WITH OTHERS

Meet people who share your values and want to create positive change in their communities.

ATTEND EVENTS

From local gatherings and networking opportunities to service projects and national events, there are many ways to get involved.

GROW AS A LEADER

Whether you're a first-time volunteer or an experienced organizer, you'll have opportunities to develop skills, build relationships, and make an impact.

FIND YOUR COMMUNITY

Choose the group that best fits your interests:

Families – Strengthening families and supporting parents.

Heroes – Serving military members, veterans, and first responders.

Young Professionals – Connecting and developing emerging leaders.

RISE – Building stronger communities through culture, leadership, and engagement.

HOW TO GET STARTED
